The crossword puzzle grid is 14 columns wide and 16 rows high. The starting point for the first word is at row 1, column 1. The starting point for the second word is at row 14, column 11. The grid contains various clues and numbers:

- Clue 1:** Located at the top left of the grid, next to an image of a bowl of tomato soup. The clue is a 14-letter word starting at row 1, column 1.
- Clue 2:** Located at the bottom right of the grid, next to an image of a bowl of meat. The clue is a 5-letter word starting at row 14, column 11.
- Number 14:** Located in the top row, column 5, indicating the length of a 14-letter word.
- Number 5:** Located in the second row, column 6, indicating the length of a 5-letter word.
- Other Clues:** Various short clues and ellipses (...) are scattered throughout the grid, indicating the lengths of other words.
