The image shows a crossword puzzle grid. On the left side, there is a portrait of a woman with long, dark, curly hair. On the bottom right side, there is a portrait of a man with a grey beard and balding head, resting his chin on his hand. The grid is composed of black and white squares. Numbers are placed in circles within the grid: a '1' in the top-left corner, another '1' in the middle-right area, a '2' in the bottom-left area, and another '2' in the bottom-right corner. Small black arrows are scattered throughout the grid, indicating the starting points and directions for the words.
