The crossword puzzle grid is 13 columns by 13 rows. A tiger image is in the top-left corner (row 1, column 1), with a circled '1' in the square at row 2, column 4. A deer image is in the bottom-right corner (row 11, column 11), with a circled '2' in the square at row 11, column 11. The grid contains various shaded grey squares and arrows indicating word placement. The words to be found are: 1. TIGER (row 2, column 4 to row 2, column 8) and 2. DEER (row 11, column 11 to row 11, column 13).
