A crossword puzzle grid is shown. The grid is 15 columns wide and 15 rows high. The top-left corner (rows 1-5, columns 1-5) contains a photograph of pine cones on a branch, with a small black square containing the number '1' in the top-left cell. The bottom-right corner (rows 10-15, columns 11-15) contains a photograph of acorns on a branch, with a small black square containing the number '2' in the bottom-right cell. The grid contains several black squares indicating where letters cannot be placed. The numbers '1' and '2' are placed in the starting cells of the words to be found.
