"

A crossword puzzle grid is shown. The grid is 12 columns wide and 15 rows high. Two images are placed within the grid: an emu in the top-left corner and an owl in the bottom-right corner. The emu image is in the top-left cell, with a black circle containing the number '1' in its top-left corner. The owl image is in the bottom-right cell, with a black circle containing the number '2' in its bottom-right corner. The grid contains several black squares, and some cells contain faint, illegible text. The grid is surrounded by a black border.
