The image shows a game board for the board game "Wheel of Fortune". On the left side, there is a photograph of the actual game box, which features a colorful wheel and the text "WHEEL OF FORTUNE". The main part of the image is a large grid representing the game board. The grid is 10 columns wide and 10 rows high. The top row contains 10 empty cells. The second row contains a question mark in the first cell, followed by 9 empty cells. The third row contains 10 empty cells. The fourth row contains 10 empty cells. The fifth row contains 10 empty cells. The sixth row contains 10 empty cells. The seventh row contains 10 empty cells. The eighth row contains 10 empty cells. The ninth row contains 10 empty cells. The tenth row contains 10 empty cells. Small black arrows are placed on the grid to indicate the direction of word placement: horizontal arrows point right, vertical arrows point down, and diagonal arrows point down-right. A stack of cards is visible behind the top-left corner of the grid.
