

" " - ' 3 .

The image shows a black stool with a woven seat and a grid for a word search puzzle. The grid is 15 columns wide and 15 rows high. The top-left corner of the grid (the first three rows and first three columns) is occupied by a photograph of the stool. The rest of the grid is empty, with small black arrows indicating the starting points and directions for words to be found. The arrows point in various directions: up, down, left, right, and diagonally.
