

" " - , .

A 10x10 grid for a word search puzzle. The top-left cell (row 1, column 1) contains a photograph of a ram's head with large, curved horns. The rest of the grid is empty, with small black arrows placed in various cells to indicate the starting point and direction of words. The arrows point in the following directions: down, right, left, up, and diagonally (down-right, up-right, down-left, up-left).
