The image shows a crossword puzzle grid. The grid is 12 columns wide and 10 rows high. The top right corner of the grid is occupied by a photograph. The photograph shows a white plate filled with small, round, brown seeds, a small blue and white bowl containing a ground powder of the same seeds, and a bunch of fresh green herbs, likely cilantro, on a wooden surface. The grid contains several black squares indicating where letters cannot be placed. The starting points for words are indicated by small black triangles: downward-pointing triangles at the start of a vertical word and rightward-pointing triangles at the start of a horizontal word.
