The image shows a crossword puzzle grid. The top-left corner of the grid is occupied by a photograph of a brown ceramic bowl filled with golden-brown, round fried snacks, likely fritters or dumplings, resting on a piece of burlap fabric. The rest of the grid is empty, with black squares indicating non-letter positions. Small black arrows are placed in the starting squares of the grid to indicate the direction of the words to be placed. The grid is 15 columns wide and 15 rows high.
