The image shows a 10x10 grid puzzle. The top-left 4x4 area contains a photograph of several figs, some whole and some sliced to show the red interior. The rest of the grid is a word search puzzle. Each cell in the grid contains a pattern of dots and arrows. The arrows indicate the direction of the scan for each cell. The patterns of dots represent the letters of the words. The grid is 10 columns wide and 10 rows high. The top-left 4x4 area is occupied by the fig image. The remaining 6x6 area is the word search grid. The grid contains various patterns of dots and arrows, indicating the direction of the scan for each cell. The patterns of dots represent the letters of the words. The grid is 10 columns wide and 10 rows high. The top-left 4x4 area is occupied by the fig image. The remaining 6x6 area is the word search grid. The grid contains various patterns of dots and arrows, indicating the direction of the scan for each cell. The patterns of dots represent the letters of the words.
