The image shows a word search puzzle on a grid. The grid is 15 columns wide and 15 rows high. In the top-left corner, there is a photograph of a living room. A large television is mounted on a dark wooden stand, displaying a colorful interface. To the left of the TV, a bicycle is parked. To the right, a potted plant is visible. The rest of the grid is empty, with small black arrows placed at various intersections to indicate the starting points and directions for finding words. The arrows point in various directions: up, down, left, right, and diagonally.
