The image shows a crossword puzzle grid. On the left side, there is a photograph of several braided breads, likely challah, topped with sesame seeds, resting on a wooden surface next to a large knife. The grid itself is composed of white squares for letters and black squares for empty space. Small black arrows are placed in the white squares to indicate the starting point and direction of the words to be filled in. The grid is 13 columns wide and 13 rows high.
